Dear Sir/Madam,

INVITATION TO PARTICIPATE IN
4th SINGAPORE SPORTS SCHOOL – OPULENT INT’L UNDER-18 BOWLING C’SHIPS 2010

Singapore Sports School Bowling Academy is proud to announce the hosting of the 4th Singapore Sports School – Opulent International Under-18 Tenpin Bowling Championship, which will be held in our Bowling Center, from the 7 to 11 June, 2010. This event is sanctioned by SBF, ABF and WTBA.

Our Bowling Centre is a special designed 12 lanes multi-surface training facility; there are 4 wooden lanes, 4 Brunswick synthetic lanes and 4 AMF synthetic lanes. The format of play is equally challenging. The 18 qualifying games will be played throughout 3 days on short, medium and long oil patterns. With lane change every other game, the bowler will be faced with a matrix of different oil pattern on a different surface for each of the 18 qualifying games! We have arranged an official practice day with the various oiling patterns spread out across the house, with the finals to be played on the medium oil pattern.

The organizing committee’s dream is to bring the best youth bowlers into the Sports School environment, not just to compete but to have a taste of the school’s culture and way of life. Thus the official accommodation has been arranged to be in Singapore Sports School boarding (hostel) itself. It costs S\$75 nett per person per night, for a 4 or 6 bedded dormitory room. This includes full meals and board; Breakfast, Lunch, Dinner and tea breaks. There are only a total of 70 beds in our air-conditioned dorms. Reservations are on a first-come-first-served basis.

On a separate note, it would be of interest to note that the inaugural Youth Olympic Games (YOG) will be held in Singapore from 14 to 29 August 2010. Our school is the official venue for 3 events; Aquatics (Swimming), Shooting and Modern Pentathlon.

The Singapore Sports School is IN-place to be! I sincerely hope to hear from you soon! Do note that entries are on first-come first-serve basis. The closing date is 7 May 2010.

Thank you!

Yours Truly,

Mike Lam
